Kylie's stats are among best of year

AN environment fact has been named as 2018's best statistic. A list by the Royal Statistical Society also included figures about Kylie Jenner, Jaffa Cakes and trains. The winning stat was 90.5%: The proportion of plastic waste that's never been recycled. A panel of judges picked the winners from more than 200 nominations, which included...
● \$1.3bn: The amount lost from the value of Snapchat in a day after Kylie Jenner (above) tweeted: "Sooo does anyone else not open Snapchat anymore?"
● 85.9%: Proportion of British trains that ran on time – the lowest for more than a decade
● 40%: Percentage of Russian men who do not live to the age of 65
● 16.7%: Percentage reduction of Jaffa Cakes in the McVities Christmas tube
● 6.4%: the percentage of female executive directors within FTSE 250 companies.

Russkie cargo ship refloated

A RUSSIAN cargo ship which ran aground off a beach in Cornwall as strong winds whipped across the southwest has been refloated. Emergency services were launched at 6am to help the 16,000-ton Kuzma Minin bulk carrier stuck off Falmouth Bay. The 550-ft-long German built ship was moored in the bay when its anchor started dragging, say coastguards. The ship's owners blamed the port's "unsafe navigation conditions". No-one was hurt.

Vive la busters!

FIVE bare-boobed protesters dressed as Marianne, the symbol of the French Republic, faced off with cops in Paris in a silent demonstration.

The women, wearing red-hooded jackets and silver body paint, stood in a V-formation in front of riot police, who were deployed to the streets of the French capital for the fifth weekend of protests by the "gilets jaunes" – yellow vests – movement.

Violence

The silent action was said to have been organised by nude performance artist Deborah de Robertis in support of the gilets jaunes.

Thousands joined the anti-government protests at the weekend, with police out in force to contain possible violence.

It predictably came after President Emmanuel Macron called on Friday for "calm" and "order".

RESOLVE: PM May stepped up plans for a no deal exit

By COLIN HURST
news@sundaysport.co.uk

CABINET ministers finally woke up yesterday after weeks of bickering and sat down to start preparations for a no-deal Brexit.

Theresa May said the Government will "ramp up" planning after ministers agreed to make it an "operational priority".

The Prime Minister's Brexit deal remains the preferred outcome for the Government but with just 100 days until the UK's departure from the bloc the intensity of preparations for leaving without a deal in March 2019 will increase.

Brexit Secretary Steve Barclay stressed that unless MPs back Mrs May's deal when it returns to the Commons in January the default option is for the UK to

With just 100 days to Brexit, our ministers

FINALLY prepare for No Deal

leave without any arrangement for exiting in place.

Last night, though, sceptics argued the no deal planning was window dressing and ministers were manoeuvring public opinion.

Ready

But speaking after the Cabinet agreement, Mr Barclay said: "Parliament needs to back the

deal because the consequence of not doing so is we risk the default of no deal, and a responsible government must prepare for that eventuality."

He dismissed alternative plans being pushed by ministers – including a second referendum or a "managed" no-deal under which arrangements are made with Brussels to limit any negative impacts of severing ties with the EU.

In a direct plea to the UK's business community he urged company bosses to make sure they were ready for a no-deal Brexit, saying it needs to be "much more of a priority for businesses".

Some 3,500 troops will be on stand-by to help deal with the impact of a no-deal Brexit, it emerged.

In the Commons, Defence Secretary Gavin Williamson said the MoD confirmed: "We have 3,500 service personnel held at readiness in order to support any Government department".

ISIS BRAG THEY'LL SLEIGH SANTA

ISIS have issued a new threat to festive shoppers by posting a pic online showing a murdered Santa Claus.

A balaclava-clad terrorist is seen standing over the prone figure of Father Christmas on a road outside former Brit antiques store, Fenwick & Fenwick.

Text at the bottom of the poster reads: "O pigs of the cross, the day is near when your carnage will be gifts for your children."

There used to be an antiques store in the Cotswolds called Fenwick & Fenwick, although it recently closed down.

Rita Katz, director of the international terrorism study group Site Intel, said that by

"using Christmas symbols like Santa Claus and depicting streets in England, ISIS-aligned groups are warning of attacks".

Terror police in the UK are taking such threats seriously following a murder spree at a Christmas market in the French city of Strasbourg.

The death toll from the attack increased to five on Sunday night after a Polish man died of his wounds in a Strasbourg hospital.

Casualties included a Thai tourist and an Italian journalist covering the European Parliament.

ITV want Theresa May in the jungle

ITV bosses are prepared to break the bank by tempting THERESA MAY into the *I'm a Celebrity* jungle with a megabucks deal.

With the writing on the wall for the PM over her handling of Brexit, producers of the ITV show – which enjoyed monster audiences as Holly Willoughby stood in for unsteady Ant McPartlin – want her Down Under next year.

An ITV source said: "After a couple of years where *I'm a Celeb* went off the boil, being perfectly honest, Holly has given the whole format a shot in the arm."

"As a result, the bosses' tails are up and they reckon there's nothing they can't do."

"A massive name like Theresa May would be a huge draw for the show and she'll be out of office by next year, for sure."

Shot

"She'd probably make a bollocks of all the Bushtucker Trials, but you can be sure she'd give it her best shot and keep going even when it's all going tits up."

"It will make great telly – especially if she starts calling all her former colleagues big bastards and that."

vote she would NOT fight the next General Election as Tory leader.

But most insiders say her chances of staying in No10 diminish by the day and most think she'll be out by early next year.

A Westminster source said: "Theresa doesn't need the money as she'll make a fortune when she's out of office."

"Maybe she'll do it though, for a daft laugh."

BEEFEATERS' BEEF

BEEFEATERS – the famous guards of The Tower of London – are to go on STRIKE.

Employees of Historic Royal Palaces, which includes Beefeaters and jewel house wardens, will picket the gates of The Tower of London and Hampton Court Palace in a strike over pensions.

The GMB union said staff would suffer under moves to close their defined benefit scheme and replace it with an "inferior" model.

Santa dies as he hands out kiddies' gifts

FATHER Christmas is DEAD!

The costumed Santa died after collapsing as he handed out pressies at a kiddies' party.

The 67-year-old fell ill while he was attending a traditional festive event in the Russian city of Kemerovo.

He is said to have been transferred to an ambulance but died on his way to hospital.

A source said the unnamed man had "complained of chest pain" in the run-up to his collapse.

A medical source said: "The man felt ill in the kindergarten. He was taken in an ambulance but died on the way to the hospital."

Russian versions of Santa Claus are known as Ded Moroz, or Father Frost.

In a Soviet-era tradition, they host children's parties over the New Year period along with a fairy tale snow maiden character known as Snegurochka.

Unlike our own Father Christmas, Ded Moroz delivers gifts on New Year's Eve rather than on Christmas Eve.

Hungarian bike proper's guilty

A CYCLING proper's reign of terror has been brought to an end after a Hungarian with a conviction for attempted murder pleaded guilty to the assaults.

Csaba Kiss carried out 22 sexual assaults across Derby, mainly in the city centre, between the July and November.

Kiss, 35, who needed an interpreter during the hearing at Derby Crown Court, went up to each woman before sexually assaulting them and riding off on a bike.

He spoke to confirm his name and to plead guilty to each charge, which was read out to him one after the other.

The judge remanded Kiss, of Normanton, in custody and adjourned the case for sentencing.

The court heard how Kiss was convicted of attempted murder when a man was shot during a robbery in Hungary in 2008.

CELEBRITY Juice will never be the same - Fearne Cotton has quit as a panellist after 10 years.

The radio and television host had appeared on ITV2's comedy game show alongside Holly Willoughby and host Keith Lemon for a decade.

But the 37-year-old beauty has decided to call it a day to focus on other projects.

She said: "After 10 years of complete fun, I have decided to leave *Celebrity Juice*."

Lemon said it was the "end of an era" in an Instagram post.

Fun

Alongside a montage of pictures of the pair together, he wrote: "End of an era! Gonna miss @fearnecotton Fanks for the fun times. Love you deeply! Good luck with your next chapter! I hope one day we'll play again. But the show must go on. Me and Holly and a new captain will be back in March for more @celebrityjuiceofficial".

Today, in tribute to Fearne, we present her best bits from the show...

HITLER BABY COUPLE CAGED

A FANATICAL neo-Nazi couple who named their baby son in honour of Hitler have been jailed for membership of a terrorist group.

Adam Thomas, 22, and Claudia Patatas, 38, were found guilty after a trial at Birmingham Crown Court of being members of the extreme right-wing organisation National Action, which was banned in 2016.

Thomas and Patatas, of Banbury, Oxfordshire, were jailed for six years and six months, and five years, respectively.

Their close friend, Darren Fletcher, who admitted National

Action membership before trial, was also jailed for five years for the same offence.

The court heard the prosecution claim that Fletcher had taught his daughter to give a Nazi salute and that he sent a message to Patatas saying "finally got her to do it".

The jury was told that Thomas and Patatas gave their child the middlename "Adolf", which Thomas said was in "admiration" of Hitler, and the couple had Swastika scatter cushions in their home.

Photographs recovered from their address also showed Thomas

cradling his newborn son while wearing the hooded white robes of a Ku Klux Klansman.

In conversation with another National Action member, Patatas said "all Jews must be put to death", while Thomas had once told his partner he found "all non-whites intolerable".

Former Amazon security guard Thomas and Patatas, a wedding photographer originally from Portugal who also wanted to "bring back concentration camps", wept when they were found guilty after the seven-week trial.

Friends star Jen: I lived with a ghost!

FRIENDS beauty Jennifer Aniston has recalled the time she had the willies put up her!

She told *The Late Late Show* with Brit host James Corden that when she first moved to California, she lived in a home haunted by a GHOST.

The stunna (above) said she was plagued by a variety of ghostly happenings – dishes would break and things would go bump in the night.

A medium confirmed that the home was indeed haunted, and that the entity specifically had a problem with her roommate.

Aniston, 49, said she immediately packed her bags and left.

She said: "You know, I feel terrible, but I couldn't say 'the ghost didn't like you' to my roommate."

A fan said: "I'd like to go bump in the night with Jennifer Aniston of *Friends* fame."

"And I'd like to spunk on her tits, too."

Rami (above), who plays the Queen frontman in megasmash *Bohemian Rhapsody*, said: "The one I was worried about the most was the sequin one, it really leaves nothing to the imagination."

"Not only are you walking out there basically naked, but then you have to strut on stage with the utmost confidence."

Superfan gutted by Special One's Old Trafford exit

A JOSE Mourinho-obsessed gran with more than 35 tattoos of the 'Special One' has been left heartbroken after he was sacked by Manchester United.

Retired Vivien Bodycote, 61, from Hinckley, Leicestershire, is covered head to toe in portraits of her favourite football personality.

But the gran-of-four has been left devastated by the departure of her 'one true love' and said, despite being a Man U fan, she'll follow him to his next club – regardless of where he goes.

Reacting to the news of Jose's sacking, she said: "I feel ill. I'm gutted. I think it's absolute bullsh*t, what can I say?"

Stinks

"He means everything to me, I just think the whole thing stinks."

"He'll forever be my special one."

Despite being married to husband Tony, 78, Viv

added: He's the only one. Wherever he'll go, I'll go. "If he goes overseas, then I'm with him."

Tony is so supportive of Viv's obsession that he spent £140 on her most recent tattoo as a Valentine's Day present.

Viv also has Jose tattoos in the style of Father Christmas, Fifty Shades of Grey and, her favourite, the Godfather.

HOW DO YOU SPEND £22.5 MILLION?

JOSE Mourinho may be leaving Old Trafford with his tail between his legs but there's the eye-watering payout of £22.5MILLION to soften the blow.

We look at how he might spend it...

1 AT £33,000 a night, grumpy Mourinho could cheer himself and his family up by exclusively staying at Sir Richard Branson's luxurious Necker Island in the Caribbean for TWO YEARS.

2 HE could buy 34,615,384 Mars bars – about three-and-a-half for every person in his native Portugal.

3 IF he fancies a move into property, more than 20 homes, a cricket club, two blacksmiths and a shop are all up for grabs after the hamlet of Linkenholt, Hampshire, was put on the market – conveniently for £22.5m!

4 HE could buy Danny Ings from Southampton, who paid Liverpool £20m for the striker. Then they could both sit and slag off LFC while playing with the leftover £2.5m.

5 ALTERNATIVELY, if he just wants to drown his sorrows, Jose could always splash the cash on 9,000 bottles of Louis Roederer Cristal champagne.

Dawn: Even older people have sex too!

COMIC Dawn French has reminded viewers that even old people have sex!

Her sitcom *Delicious* is returning to Sky One for a third series later this month and Dawn's character Gina now finds herself attracted to rich investor Mason Elliott, played by Vincent Regan.

Dawn (above), 61, said she loved how the show didn't hold back from raunchy scenes for characters of all ages.

She said: "Look at the last series, there was Sheila Hancock's character [Mini] having a fling with Franco Nero who played my father."

"This series is about people being confident and desired whatever age they are. There's no boundaries on that, people don't stop being sexual because they get older."

Dawn explained how she breaks the ice when doing such scenes herself, especially with a new cast member.

She said: "Have a laugh. I'm always doing it. You do it because you are a bit nervous."

Local NHS consultant Dr John Logan said: "With an increase in the number of people in Lanarkshire being diagnosed with syphilis, we feel it is important to highlight the risks of unprotected sex."

FURY OVER HARVEY CRIMBO JUMPERS

By REX ROWLANDS

rex@sundaysport.co.uk

JUMPERS featuring Katie Price's disabled son Harvey on them have sparked outrage on social media.

Mugs and T-shirts bearing his name and image are also being sold online with the caption: "Hello you c***".

And yesterday a video emerged online showing a grinning bloke showing his hateful jumper to a table full of mates.

Unzipping

It shows a man in a restaurant unzipping his coat to reveal a green jumper with a cartoon image of Harvey Price wearing a Santa hat above the slogan: "HO HO HELLO YOU C***".

Angry Twitter user @DavetheDolphin commented: "This is just plain sick. There's black humour and gallows humour but this is gutter humour. Ban it."

The slogan on the jumper is from a phrase Harvey used during an appearance with his mum on *Loose Women* in 2016 during a discussion about online trolls, both of them

GUTTER HUMOUR: Katie, Harvey and the sick togs

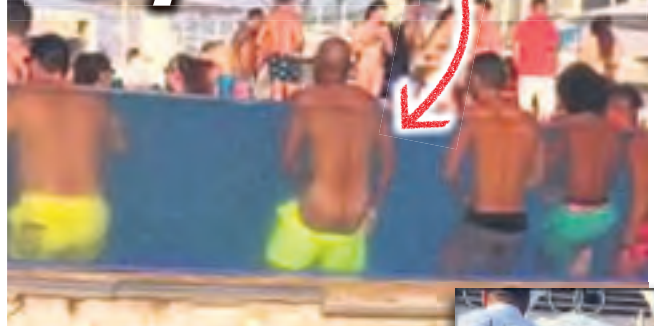

having been victims of online sickos.

When asked what he would say "if someone said something horrible"

to him, he replied "hello you c***".

The vile products are on sale on eBay and Esty for £27.99.

How NOT to have a sly w*nk!

A TOURIST has been caught on video performing a sex act in the packed swimming pool of a well-known Dubai beach club.

Footage shows the man pleasuring himself while leaning back against the glass wall of the pool at Zero Gravity, in full view of those behind him.

He appears to be completely oblivious to the large number of people around him in the pool.

Eventually security staff approached the man after complaints from fellow customers

and he was then ejected.

The video was posted on Facebook with the title: "Zero Gravity = Zero F***s Given by this man!"

Banned

Zero Gravity began as a beachside diner and has in recent years grown into a popular destination for tourists and visiting celebrities.

In a statement, a spokeswoman for the club said: "The conduct of this individual, who was immediately removed and banned, fell well below what is expected by our guests

and we apologise for any distress caused."

The spokeswoman added that "guests can be assured that all water hygiene controls were in place at the time of the incident, including hourly water quality checks".

4-yr ban for fan who hurled banana skin at black player

A FOOTBALL fan has been banned from going to games for four years after throwing a banana skin at a black player in a "targeted gesture" with a "racial element".

Tottenham fan Averof Panteli (above) admitted hurling the item onto the pitch at the Emirates Stadium after Arsenal's Gabon striker Pierre-Emerick Aubameyang scored and celebrated in front of Spurs' supporters.

The van driver, 57, said he picked up and threw the discarded skin in a "spur of the moment" action but denied there was any racist intent. Highbury Corner Magistrates' Court heard.

Magistrate Mervyn Mandell said: "We find it was a targeted gesture to throw a banana skin after a goal was scored by a black player. We have in the circumstances found the racial element was there."

Panteli, of Norwich, was handed a four-year football banning order and fined £500 after pleading guilty to throwing a missile.

A PENSIONER who was found masturbating in two supermarkets had cut holes in his trouser pockets so he could reach his tackle for his pervy hobby.

Brian Tempest exposed himself twice in Asda and once in Sainsbury's between January and March of this year.

He was nicked following complaints from two women at the stores and a review of CCTV.

Once in custody, cops found holes cut inside the right hand pocket of his jeans.

Tempest, 84, of Orford, Warrington, appeared at Liverpool Crown Court where a jury found him guilty of three counts of outraging public decency.

The judge handed him a two-year supervision order, saying his actions were "Unacceptable."

TOUR de France winner Geraint Thomas has had the year of a lifetime.

After winning the big race as well as the Criterium du Dauphine on his bike he topped it off by taking home the BBC Sport's Personality of the Year at the weekend.

But despite all that success, the highlight of 2018 had to be when he met big-boobed porn star Rebecca More!

Sky cyclist Geraint, 32, posed for a snap with the '34F' babe when they met in the Alps in June.

She was there with The Porn Peddallers' Cycling Club – a charity team consisting of adult industry stars.

They raise money for the UK's leading HIV and sexual health charity the Terrence Higgins Trust.

And its membership boasts some of the UK's biggest porn stars, including Rebecca More, Frost, Louise Kay, Ava Austen, Lacey Starr, Luna Toxxxie, Sapphire Blue as well as top studs Pascal White and Peter Oh Tool.

They have an amazing one million followers on Twitter where they regularly post updates about their rides and charity events.

The club also used their social media presence to campaign for Geraint Thomas to win the Sports Personality of the Year Award – helping him

beat favourite Harry Kane and F1 star Lewis Hamilton.

A spokesman for the club said: "We had this inkling, we might be able to use our dirty social following as a force for good. We had porn stars and cam babes channelling the love all night to help him win the people's vote and hit the G spot!"

Rebecca added: "Geraint was such a sweetie when we met."

"He's so incredibly talented and has worked so hard to get where he is. He's got a great personality as well as being one of the best cyclists in the world. "He's a bit of a hero of mine, and a real sport."

AN octogenarian has been banned from every nightclub in Britain after he groped two young women during a night out to celebrate his birthday.

Jaime Arrochela Lobo, 80, put his hand up one girl's skirt and twice grabbed another's bum as he danced at St Christopher Inn in Borough, near London Bridge, on March 25.

Chatting

The retired car salesman, who was out celebrating his birthday, told cops after he was arrested in the early hours that he enjoyed dancing and chatting to girls.

At Croydon Magistrates Court in September Lobo, who has a partner, was convicted of sexually assaulting a 23-year-old and her friend aged 24.

The first woman told the trial: "I felt a bit sorry for him so said 'Hi'."

"I turned away and a minute later I felt his hand up my skirt inside my underwear."

Met's £8,000 'cat killer' bill

SCOTLAND Yard spent more than £8,000 carrying out post-mortem examinations on the suspected victims of the so-called Croydon cat killer.

The force's three-year probe was closed earlier this year after officers concluded foxes were responsible.

Pet owners had feared a serial cat killer was on the loose after hundreds of moggies were reported to have been decapitated and dismembered across the south London borough and beyond since November 2015.

However, the mystery was solved in September when the Met said there was "no evidence that any of the cats had been killed by a human".

The £8,100 was revealed after a freedom of information request.

This week, Camberwell JPs placed Lobo on a 12-month community order, which includes a condition he must not attend any nightclub in England and Wales for a year.

He must also wear an electronic tag to ensure he obeys a six-month night curfew between 9pm and 6am, and attend a rehabilitation course for up to 30 days.

The court also ordered Lobo, who has a pacemaker, to sign the sex offenders register for five years and pay £250 costs.

YOB'S STEAMERS ON BEEMERS

A BMW-hating revenge attacker has been SHITTING on the German cars on the Isle of Wight.

An angry resident in Newport called the police after returning home to find faeces on the bonnet of her Beemer.

Amy Ryan said: "I just don't understand how someone could pull down their pants and lay a mud monkey right on my bonnet."

She said a group had also been spotted defecating on BMWs in Cowes.

BMW drivers do not tend to be popular in the UK.

Perv nicked w*inking in store aisle

A MAN was arrested after being accused of furiously masturbating while looking at a woman in a shop's swimsuit section.

Police were called after staff saw the man, later identified as Bryan Swaim, 51, acting suspiciously in the supermarket.

A security guard thought Swaim was attempting to steal items but when he went to get a closer look at the individual on camera, a colleague said the man was exposing himself.

Police saw the CCTV of Swaim watching the woman and going back and forth between clothing racks.

His basketball shorts were slightly pulled down and the lower half of his body was exposed. The video also showed him watching the woman, 35, while wanking.

Swaim, who was picked up in the wine aisle of the store in Ocala, Florida, was arrested on charges of exposure and faces up to a year in jail and a £750 fine.

Drunk woman 'swung a bag of pups round bar'

A WOMAN is in custody after police say she was seen at a bar drunkenly swinging a backpack containing four month-old Chihuahua puppies.

Teresa Gardner, 27, was charged with animal cruelty and resisting arrest following Sunday's incident.

She also allegedly threw the sealed bag on tables and benches. When the puppies were taken out of the backpack, they were "shaking and tormented", cops said.

They added of the incident at Briny Irish Pub in Pompano Beach, Florida: "She transported them in a cruel and inhumane manner."

Gardner (above) appeared in court on Monday and Judge Kim Mollica set her bail at £750 and also ruled that Gardner was not allowed to keep any pets.

'MADNESS MOMENT' TOSSER ASKED: WILL I GO TO PRISON?

SCANNED BY CCTV: Street in Chester

A FATHER-of-three pleased himself behind a woman as he walked to work at a top independent school in Chester.

Mark Chalenor, 55, told cops it had been a "moment of madness" after he was arrested near The King's School.

CCTV operators had spotted him with his penis in his hand on Northgate Street as he strolled behind an oblivious stranger at 6.30am on November 8 this year.

Indecent

Chalenor, of Ellesmere Port, pleaded guilty to causing a public nuisance by indecent exposure at Chester Magistrates Court.

He was sentenced to 18 weeks in prison, suspended for two years.

Rob Youds, prosecuting, said the CCTV team had been scanning the city streets that morning when they "came across the defendant

By COLIN HURST news@sundaysport.co.uk

walking close to an unknown female". "They zoomed in and saw the defendant expose his penis and start masturbating behind this woman before then putting his penis back inside his trousers," Mr Youds said.

The team alerted police, who then located Chalenor just before he arrived at The King's School, where he had been working as a kitchen porter for around two years.

Upon his arrest, he said: "Yes, I did it. Will I go to prison?"

He admitted he had decided to take out his penis, which is "something he regrets doing and is very embarrassed about", Mr Youds said.

"He said it was a moment of madness. He doesn't know why he did it, he can't explain it."

Chalenor said he wasn't following the woman, they had just been "going in the same direction".

He also denied masturbating and said his motive had not been sexual.

Lady singers are causing earthquakes

A MUSLIM preacher has declared guitars, flutes and pianos are sinful – because they encourage pre-marital sex.

Morals crusader Nassim Abdi – who also says female singers cause earthquakes – told a mosque that modern music is more intoxicating than alcohol.

Sunni fundamentalist (above) quoted holy verses to describe flutes as the “voice of the immoral fool”.

He also said there would be “earthquakes and showers of stones” if people drank alcohol, listened to female singers or played musical instruments. “A lot of these are becoming more and more prevalent, especially the female singers,” he ranted.

Last year, Mr Abdi – who claims it is sinful for women to show their ears in public – slammed Muslim parents for allowing their children to listen to music in the car and letting them dance at home at a mosque in at Auburn in western Sydney.

Babes can have a bigger ‘O’ for just £1,600 a jab

A NEW medical treatment claims to greatly enhance the female orgasm by increasing vaginal lubrication, stimulating the clitoris and boosting sex drive in one no-fuss £1,600 injection.

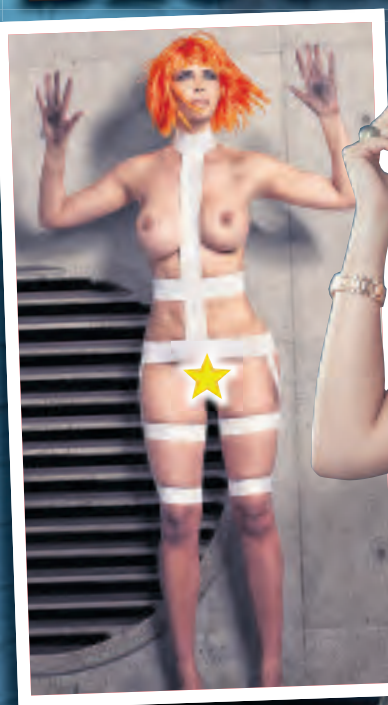

Dr Naomi McCullen and her team lists its ability to help with sexual wellbeing as well as lack of bladder control as major plusses.

At her Sydney-based surgery The Manse Clinic she said: “One to two treatments are necessary to begin with and can be repeated once yearly after that.”

Patients are first given a numbing cream applied to the clitoris area, then blood platelets are taken from the arm, treated then injected below into the vaginal wall.

It’s recommended patients wait 24 hours before having sex.

Model’s topless calendar tribute to movie greats

By SIMON DEAN simon@sundaysport.co.uk

LIKE movies? Like naked ladies? Like naked ladies with heart-shaped nipples?

If you can answer YES to all three questions, German model Michaela Schaefer has the calendar for you!

The 35-year-old, from Leipzig in what was East Germany, has recreated some of movie history’s most famous poses but with one major difference...

She has her busters and her beautifully-arranged MIMSY on show in each of the 12 images.

What’s more, Michaela has even roped in some pals to pose with her.

Sniff

The particularly sharp-eyed will notice something special about Michaela’s nips, too. They are shaped like love hearts.

This is not due to some weird deformity caused by heavy industrial chemicals used in the old East Germany.

No, Michaela had the shapes tattooed onto her teat ends in an agonising and hours-long procedure.

A fan said: “I’d have a heart tattooed on my bellend just for a sniff of her bumhole.”

Flats evacuated as naked driver piles into them

RESIDENTS in six flats were evacuated after a car steered by a **NAKED DRIVER** crashed into their building.

The nude man driving a five-year-old Nissan ploughed into the living room of one resident, Carlo Perry, who said he was woken by the almighty bang to find the car in his apartment.

A 59-year-old woman in one of the apartments was injured when the car crashed into her flat and she is in hospital with serious bodily injuries, police at the scene at the Country Club Villas in Denver, Colorado, said.

The driver was also taken to hospital. There was no information on the severity of his injuries.

Two residents said that the driver was screaming "Get me out of here!", but could not explain why he was in the buff.

PLAYBOY ORGY VIDS TO AIR IN COURT

WHY SO SHY, OLIVIA?

She refused to go nude in *The Favourite* ...but stripped here

OLIVIA Colman has revealed she refused to take her clothes off in *The Favourite*.

The 44-year-old actress stars as Queen Anne in the 18th century comedy drama movie and said that when filming a sex scene with Emma Stone – who plays Baroness Abigail Masham – she said “there is no way” she would agree to being naked.

Olivia said: "There wasn't actual nudity. Director Yorgos Lanthimos asked and I said I absolutely won't. There is no way.

"I think he said it would be great if everybody was able to. And I said 'No'. And he replied 'Right'."

Bush

But Olivia had no such reservations in the 2006 flick *Confetti*, in which she stripped starkers – bush and all – alongside co-star Robert Webb.

Meanwhile, Olivia's co-star Emma Stone, 30, claimed she had insisted on taking her clothes off for the scenes, even though Colman had encouraged her not to.

She said: "I had the sheet up around me. And as we were shooting it and we did a few takes, I said, 'Can I please just be [naked]?' "Olivia was like, 'No, don't do it!'"

HUGH AND CRY: Heff filmed sex at his mansion, and Cosby was a pal

SECRET sex tapes filmed at Hugh Hefner's extravagant Playboy Mansion parties are to be shown in a court case against disgraced comedian Bill Cosby.

Yank lawyer Spencer

By COLIN HURST
news@sundaysport.co.uk

Kuvin has uncovered scores of recordings involving "dozens" of high-profile celebs at the raunchy events.

Mr Kuvin said the tapes were handed over by Playboy Enterprises and appeared to have been professionally edited and "produced".

Tapes

The Florida-based attorney now wants raw CCTV footage from the parties – dating back to the 1990s – so he can review scenes edited out of the films.

But whether such footage still exists is up in the air, after it was revealed that Hefner — who died last September aged 91 — allegedly dumped his stash of personal tapes.

Mr Kuvin represents dancer Chloe Goins, 28, who claims Cosby drugged and sexually

attacked her at a party
at the mansion in 2008

She says Cosby — one of Hefner's longtime friends — gave her a drink and that she later awoke to find herself naked with Cosby biting her toes with his pants around his ankles. She would have been 18.

Cosby, 81, is currently serving a three-year jail term for aggravated indecent assault.

Chloe is one of 33 women to bring civil cases against the comic. Mr Kuvin said his legal team has spent "hundreds of hours" watching the tapes.

One Hollywood source said: "It was thought these tapes had all been destroyed but it seems some have survived."

"There'll be some big names worried, for sure."

ART GIRL'S TINY WILLY TEASE

COCK SHOCK:
World
figures
are body
shamed

ARTIST Ilma Gore has begun unveiling a series of 26 portraits of world and cultural figures – painted with tiny COCKS!

The list includes Harvey Weinstein, Superman, the Crown Prince of Saudi Arabia Prince Mohammed bin Salman, former Pope Benedict XVI and North Korean cheese fatty Kim Jong-un.

Small-genitalia portraiture is a familiar dive into controversial waters for Gore, 26, who is based in Los Angeles.

She is best known for her portrait of a naked Donald Trump sporting a tiny cock, which went viral in February 2016.

Threats

After posting the Trump piece on Facebook, she was banned from the site and publicly accused by some of body shaming the eventual US President, 72.

Gore also said she was later anonymously threatened with legal actions, held captive in an Uber, received death threats and was punched in the face by a Trump supporter.

The controversial artist says her mission is to get a "message

By **WENDY THOMAS**

about masculinity across more clearly".

She said the response to the Trump portrait became "disheartening" because the rumpus over it proved to her that our "cultural bias against modestly sized male genitalia" – that small penises somehow determine a man's value – is holding firm.

PUNCHED: Gore

Priest 'grabbed trainee's genitals'

A PRIEST accused of wanking off a trainee clergyman in a bar's toilet claims he was merely rubbing the man's stomach after he was sick.

A 34-year-old man testified in court that he was a seminary student when he joined Father Juan Garcia Castillo, 35, and another student for a beer at BJ's in Carlsbad, San Diego.

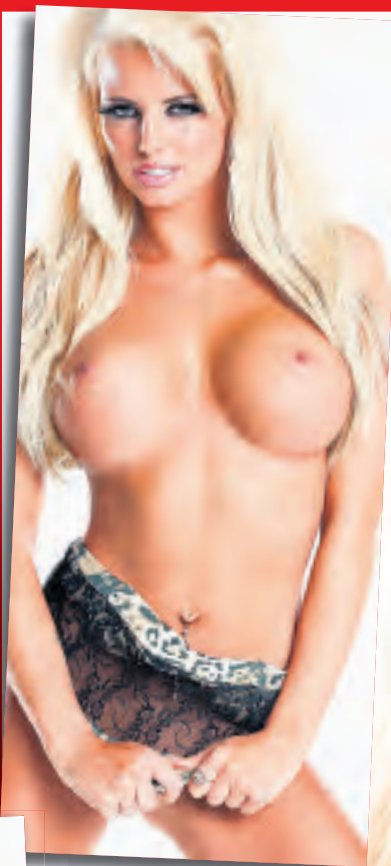

"I was drunk but I knew what was happening," the alleged victim said.

He said he was stood over a toilet when "All of the sudden the hand very quickly goes directly to my crotch and grabs my genitals".

Castillo denies sexual assault.

The trial continues.

One-third of those in affairs getting back at straying partners

RISE OF THE REVENGE CHEAT!

A THIRD of people having affairs are 'revenge cheating' in response to their partner straying previously, according to a new survey.

And women are more likely than men to avenge cheating in this way.

The survey found 26 per cent of people end their relationship after discovering an affair.

Far more stay with their cheating partner (34%) and get their own back by starting an affair of their own.

Unhappy

Eight out of ten revenge cheaters (81%) felt justified in having an affair because their partner had been unfaithful first.

Being caught did not stop 43% of cheats from carrying on seeing a lover, despite telling their partner the affair was over.

The results were revealed in the new survey of 1,000 people by IllicitEncounters.com, the UK's

By **WENDY THOMAS**
news@sundaysport.co.uk

leading dating website for married people.

It showed a big rise in revenge cheating because more unhappy couples were staying together as they cannot afford to split up and set up two new homes.

Women (37%) were slightly more likely to 'revenge cheat' than men (31%) – possibly because men tend to have the first affair.

The most common way for revenge cheating to happen was through a dating site or app, chosen by 49% of respondents, followed by contact through social media (24%), work romance (14%), and a pick-up at a club or bar (13%).

IllicitEncounters.com spokesman Christian Grant said: "There has been a big rise in the number of women revenge cheating in the last year."

"They are stuck in an unhappy relationship, which they cannot afford to leave because of house prices and economic uncertainty."

School Miss facing trial accused of sex with student

A TEACHER is to stand trial for allegedly having sex with a student.

Candace McCray, 37, is charged with having sex with a student under the age of 19, which is a crime in Montgomery, Alabama.

McCray (above) is still employed but local authorities could not say whether she's on leave or still being paid.

Court documents allege McCray had sex with the student at an undisclosed location between January and February 2018.

McCray was arrested on February 16.

The Alabama State Department of Education is involved in the case and has proposed revoking and non-renewing McCray's teaching certificate.

The case is flagged in the state's database, citing "Individual has been given notice of proposed adverse action up to and including the revocation of certification or licensure".

Shamed w*cker fled from library

A MAN was caught WANKING while watching porn on a virtual reality headset in the children's section of a public library.

Madison Alderman, a nanny, had taken the children in her care to the local library in Orlando, Florida, for a homework session.

Ms Alderman says she heard the sound from the unidentified man's porn film as she walked in with the children.

Ms Alderman said: "Everyone was laughing, but it was pretty awful because he was pleasuring himself too."

"Once he realised everyone had been able to hear the sound from his VR headset, he panicked and ran out of the library."

THREESOME CANNIBAL MADE VICTIMS INTO PIES

71 years in prison for flesh-eating monster

CANNIBALS killed three women, ate parts of their bodies and then baked their flesh in pies which they sold to neighbours.

"Sweeney Todd" serial killer Jorge Beltrao Negromonte da Silveira, his wife Isabel Pires and his mistress Bruna Cristina Oliveira were sentenced to between 68 and 71 years in jail.

They were arrested in April 2012 in Garanhuns, northeastern Brazil.

Former university professor Negromonte, 57, gave chilling details about how the love triangle would consume their victims.

He said: "The women would prepare the meat. We'd often cook it in a Mexican stew called carne guisada, with vegetables."

"I can't remember if we ever fried it like a steak."

Succulent

"I did buy a mincing machine for Bruna to make minced meat, but I'm not sure she used it. "The meat would last for three or four days. We would have it for lunch and dinner until it was all gone."

"Human meat, for me, is no different to beef. It has the same taste and the same succulent consistency."

"It isn't any more delicious than beef, but neither is it less delicious."

The sick trio lured

By COLIN HURST

young women to their house by offering them work as a nanny, before murdering them and feasting on their bodies.

Pires would use the remaining human flesh to make traditional stuffed meat pastries – or "empadas" – which she and Oliveira would sell to unsuspecting customers on the streets.

Negromonte, who would kill the women with a hammer or fish knife, butchered one young woman in front of her 18-month-old daughter – then fed the toddler pieces of her mother the next day for lunch.

The monster justified his acts by claiming the women he killed would give birth to future

"thieves and lowlives" and that the group were helping to rid the world of the ill-educated and their negative energies.

A jury in Brazil's city of Recife found the trio guilty of murdering two women – Gisele Helena da Silva, 31, and Alexandra Falcao da Silva, 20 – inside their home in February and March 2012.

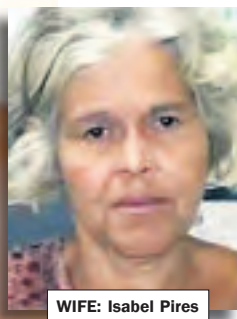

Judge Ernesto Bezerra Cavalcanti sentenced Negromonte to 71 years for double murder, as well as

CHILLING: Negromonte butchered women with hammer or fish knife

MISTRESS: Bruna Oliveira

WIFE: Isabel Pires

concealment and vilification of a corpse and robbery.

His wife Pires received 68 years and mistress Oliveira got 71 years and ten months.

DEER HUNTER SENTENCED TO BINGE-WATCH BAMBI

Poacher must watch classic every month, rules judge

A MAN jailed for deer poaching has been ordered to watch *Bambi* on repeat in an attempt to rehabilitate him.

David Berry Jr. was told he must watch the 1942 Disney classic at least once a month during his year-long spell in prison.

Berry was complicit in a family-inspired plot to kill hundreds of deer across Lawrence County in Missouri.

Local media reported that the case was one of the largest of its kind in state history.

On being sentenced, Berry

was told he must watch *Bambi* for the first time by December 23.

"The deer were trophy bucks taken illegally, mostly at night, for their heads, leaving the bodies of the deer to waste," prosecutor Don Trotter said.

Also arrested were Berry's father, two brothers and another man.

It followed a nine-month investigation involving cases in Kansas, Nebraska and Canada.

Investigators said David Berry Sr's other son, Eric

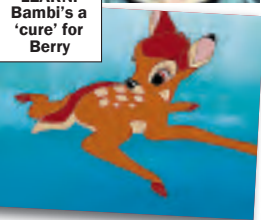

Berry, was later caught with another person spotlighting deer – where poachers use light at night to make deer pause and easier to hunt.

Court documents showed Berry Jr was ordered by Lawrence County Judge Robert George to "view the Walt Disney movie *Bambi*, with the first viewing being on or before December 23, 2018, and at least one such viewing each month thereafter" while at the county jail.

Together, the men have paid a combined £40,000 in costs.

Dear Ashleigh,

I'm a 38-year-old fella and have been single since divorcing my wife a couple of months ago... and I've also been horny as f**k!

I decided to do something about it and soon I met a fit 28-year-old blonde down at my local.

After a few drinks she began rubbing her hand up my leg and even patted my cock when no one was looking.

I whisked her back to my place and I had barely closed the front door before she had my cock out of my trousers and down the back of her throat.

Within a few moments we were shagging each other silly in all kinds of positions and we finished off by enjoying furious anal on the kitchen floor.

The problem is I haven't exercised in years and now I think I've buggered my back.

Am I too old for this nookie lark?

P.J. Lancs

Ashleigh says...

AT least you have ONE muscle that's working fine!

Dear Ashleigh,

I HAVE been with my girlfriend for a year and I thought we were getting on great – in and out of the bedroom – until a few weeks ago.

My girlfriend is quite good friends with one of her exes and they still spend time together.

I didn't mind because he seems a decent enough bloke and he told me he'd never do the dirty on me and even gave me tips on what he'd turn her on sexually.

But our relationship changed when we all went to the gym together the other day because, in the changing room, I discovered her ex is hung like a donkey.

He is double the size of me. I was shocked and it made me think I am not satisfying her like he did.

The situation is really freaking me out and it's starting to affect my performance in bed. What should I do?

NC, Norfolk

NC, Norfolk

Ashleigh says...

HOW many times does it have to be said... it's not the size, it's what you do with it that counts.

I gave older and bolder blonde a special delivery

Dear Ashleigh,

I WORK for a parcels service and female customers love my special deliveries.

Most of my contacts are housewives whose husbands are at work.

My favourite is a 45-year-old fit blonde who is older, wealthier and knows loads of tricks.

I took a parcel the other week and she whisked me in before I could even ring the doorbell.

She was wearing a tight blouse and a short skirt, exposing her bronzed bare thighs.

I went straight for her half-open blouse and slipped

it off before unclipping her bra
and freeing her boobs

As I played with them, she slipped to her knees, pulled out my eight-incher and began sucking it.

Soon we were both naked and I shagged her standing up in the hallway until we had simultaneous orgasms.

Now she's desperate for me to make a return visit, but I'm worried about losing my job.

What should I do?
VK, Birmingham

Ashleigh says...

My girl insists on showing our sex tape to her mates

Dear Ashleigh,

I'VE been with my gorgeous girl for about six months and we have a pretty amazing sex life.

We are into bondage in a big way and enjoy dressing up and watching sex videos together.

A couple of months ago she came home with a professional movie camera that she'd borrowed from someone at work and I knew straight away what she had in mind.

I was totally turned on by the idea and we agreed to play our favourite sex game.

I pretended to be a workman who arrives at a house to find a beautiful, but frustrated and horny, housewife crying out for a good screwing.

Slurped

We set up the camera in the kitchen and she put on her sexiest nightie with nothing underneath.

I rang the bell and she let me in. I was pretending to fix the tumble dryer as she bent over in front of me, showing her bare arse.

She sank to her knees and released my hard cock before taking me into her mouth.

And she made sure the camera picked up every glistening inch of my cock disappearing deep down her throat.

She slurped on my manhood and stroked my shaft from the tip to my balls as I moaned loudly with pleasure.

We were both so turned on she could

sense I was about to come, so she withdrew her lips just in time.

Without further ado, she plunged her gaping love-hole down hard on me, taking my eight-incher to the hilt – crying out with pleasure as she rode me until we climaxed together.

The problem is I've since found out that my girlfriend made a copy of the film and has been showing it to her girlie mates.

I like her a lot, but I feel used and betrayed and I'm wondering whether to dump her.

What do you think?

GJ, Essex

Dear Ashleigh,

I LOVE giving my hubby a gobble and get all hot and horny when he shoots down my throat.

But he refuses to go down on me in return. He says it's not natural for blokes to go down there, even though he's seen male actors do it in porn films.

He says I shouldn't give to receive and should do it because I like to.

I do enjoy it, because it pleases him, but surely he should feel the same about pleasing me.

What do you think?

MG, Newcastle

Ashleigh says...

STOP your moaning. Most blokes would be pleased to be shown off like that to their partner's pals.

Ashleigh says...

TELL him to lick you out or pack his bags!

Coach driver's ride of his life with horny hen girls

Dear Ashleigh,

I'M a coach driver and I recently took 30 horny women on a hen night.

During the journey to a city nightclub the girls got merrier and merrier as they got stuck into a never-ending supply of Prosecco, so eventually we pulled into a service area for a piss stop.

As I was about to get off the coach to have a leak myself, this blonde cracker with big tits grabbed me by the bollocks and led me to the cramped toilet.

Moments later, she was sucking me off expertly. As I was about to shoot my load, she whipped my cock out of her mouth, sat me on the bog and then started riding me for all she was worth.

Fingering

When we'd finished I opened the bog door and couldn't believe my eyes. There was now a queue of 10 randy women!

I couldn't believe my good luck and quickly rose to the challenge. I ended up shagging, fingering or licking out all of them.

When the bus arrived at our destination, one girl said that she wanted to be "f**ked silly" on the back seat, so I took her from behind and all the girls cheered when I came.

Unfortunately, on the way home they were all too busy throwing up to give any more blowjobs, but it was some trip!

HF, Glasgow

Ashleigh says...

SOUNDS like you had the ride of your life!

Dear Ashleigh,

I'M a married man in my mid-40s and I make love to my wife two or three times a year.

But the youngsters these days seem to be bonking every minute of the day.

We live near a row of shops that include a takeaway and an off licence.

On weekend nights gangs of boys and girls gather outside – smoking, drinking and swearing like troopers.

And some of them go around the back and have intercourse.

I can see the rear of the shops from my back bedroom window and I often sit there for hours with my binoculars watching these sordid goings-on.

I have seen full sex, heavy petting, oral sex and even some doggy-style action – and I think it's bloody disgusting.

One particular big-boobed girl often leads boys around there, kneels before them and gives them oral to completion.

I've mentioned it to the wife, but she just says they're youngsters having a bit of fun.

Should I tell the police?

DH, Devon

Ashleigh says...

YOU'RE not fooling anyone. You're just a Peeping Tom!

THEKLA ROTH

By SIMON DEAN

news@sundaysport.co.uk

APART from *Missing You* rocker John Waite, Thekla is probably the most famous person to come from the lovely city of Lancaster.

Thekla studied Exercise & Fitness, Sports Therapy before her first film work – a stunt role for the hit film *Coyote Ugly*.

Splitting her time between Los Angeles and London, her early modelling work included the music videos Sonique *Feels So Good* and Benny Benassi *Satisfaction*.

Bared

Thekla has modelled for magazines such as *FHM*, *Maxim*, *Ice*, *Nuts*, *Arena*, *People* and *Bizarre* – but most famously, she's bared her 32DD boobs for *Sunday Sport*.

And our readers love her. Thekla's also done a bit of work for some little American mag called *Playboy*.

VANESSA WALKER

SEASIDE stunna Vanessa Walker, from Blackpool, is Scouse brickie Neil Barton's favourite pin-up.

Neil, 41, said the 28-year-old blonde is one of the fittest models ever to grace the pages of the *Midweek Sport*, in his opinion.

Well Neil, we hope this saucy boobs-out snap of Vanessa and her eye-watering 32Es brings you some festive cheer this Christmas!

AIMEE LUIS

GORGEOUS Aimee Luis, from Broxbourne, Herts., hasn't made an appearance in *Midweek Sport* for some time.

But the 28-year-old is back by popular demand after 32-year-old barber Nick Sands emailed in to tell us that Aimee's perky 32DDs are the best boobs he's ever seen.

Nick's email read: "There's a really fit model I'd love to see in the paper, she's called Aimee Luis I think, and she has the best pair of tits I've seen."

"If this week's *Show Me The Honey* hasn't been filled already then it'd be great to see her in there."

MICHELLE THORNE

THIS nippy snap of Michelle Thorne and her jaw-dropping 32E norks is for "number one Sport reader" Timmy Evans, who sent his request inside a Christmas card.

We couldn't say no to one of our most loyal readers so we hope you like this photo of Michelle, Timmy.

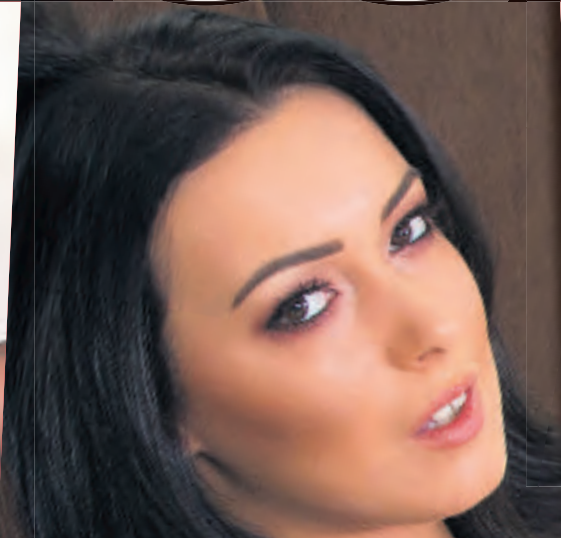

The 59-year-old, from Leicester, wrote: "In all the years I have been reading your paper I have never seen another model who is sexier than Michelle Thorne."

"She looks like the type of girl I'd like to date, but I don't suppose I'm her type."

"A photo would make my day though, if you'd be so kind?"

lauren LOUISE

#HOT'N'HORNY

LUSTY and busty Lauren Louise has a thing for men in UNIFORM.

And this festive season she insists she wants to be a naughty girl with a hunk dressed as SANTA!

The 24-year-old topless model, from Derby, said she gets really turned on fantasising about sex

with a soldier or policeman.

But her lusts have recently turned a lot more seasonal.

Lauren, who boasts an eye-popping 34D top rack, said: "I dream about being pulled over by a copper on the motorway and he's giving me a right ticking-off."

"Shagging a soldier is another fantasy of mine – just the thought of all those muscles

busting out of his uniform!

"But the other day I was thinking how great it would be to get banged by a bloke dressed as father Christmas."

"Especially if he yelled 'ho-ho-ho' when he came!"

"You could say I have a bit of a uniform fetish. I'm happy to do my bit and put on my saucy college girl, naughty nurse or French maid outfit!"

SPAT: On training ground

Players 'delight' at Jose sacking

MANCHESTER United's stars were reportedly pleased to hear of Jose Mourinho's sacking.

The players were given Monday off despite their dismal 3-1 defeat against Liverpool at the weekend.

They returned to training yesterday morning after Mourinho had been given his marching orders by Ed Woodward.

Club insiders say many of the players were 'happy' at the news because they have grown fed up of the Portuguese's negative tactics.

Mourinho has long been on a collision course with Paul Pogba who posted a cryptic message on social media after the sacking with a picture of him not looking too upset at the news.

It follows revelations that the pair had fallen out big time on the training ground when the Frenchman was snubbed by his manager.

He looked visibly angry after the exchange and several players reportedly sided with Pogba over Mourinho.

Furious

There then followed a controversial squad meeting when the manager ripped into the players after their defeat against Southampton and reserved particular criticism for Pogba who has been dropped for recent matches, including the Liverpool defeat.

Woodward was spotted in the stands looking furious as the Frenchman was left on the bench while the likes of Marouane Fellaini toiled away at Anfield.

Not everyone is on Pogba's side though.

Former Red Patrice Evra is calling for unity heading into the difficult Christmas period.

He said: "The thing that is annoying me the most right now is why are people so focused on Paul Pogba and Jose Mourinho."

"Let's focus on rebuilding something solid instead of being in a playground. Doing this is only disrespecting the badge, from now we only need positivity."

Coach Michael Carrick has been put in charge of training until the caretaker boss comes in.

He is expected to be appointed in time for the weekend's game away at Cardiff City.

The Reds then play Huddersfield at home on Boxing Day.

NEVILLE BEGS BOARD TO BREAK THE BANK FOR TOTTENHAM BOSS

MAURICIO Pochettino has REFUSED to rule himself out of the running for the Man United job — and Gary Neville wants the Reds to swoop NOW.

The Tottenham gaffer was one of the first to react to the news that the Special One was now the fired one from Old Trafford.

He has done an excellent job on much more limited resources in north London and many see him as the ideal man for United with his attacking style.

Pochettino said: "First of all I want to send my best

By JOHN ANTHONY

wishes to him. I feel so sorry. I have a very good relationship with Jose, he is a good friend, it is sad news. It is not my business what has happened in another club. I send my best wishes to Jose.

"After nearly five years there is a lot of rumours about my position as manager at Tottenham.

"I cannot answer this type of question because rumours happen."

United have opted to appoint a caretaker boss until the end of the season, with Laurent Blanc one of the main names in the frame.

Many are seeing that as a

wise move by the Reds as they know it would be almost impossible to prise Pochettino away from Spurs during the season.

But it could be a very different story this summer. Neville can't think of a better man to bring in.

He said: "I said last season that the next manager of Manchester United should be Mauricio Pochettino."

"When I look at the values of Manchester United, you look at Mauricio Pochettino's belief in young players at Southampton and with Tottenham. You look at his performance levels and the style of play, the way in which he carries himself at

all times, publicly and in private.

"I've been fortunate enough to spend two or three days at Tottenham's training ground and to me he just feels like the most ideal candidate."

Pochettino has steered Tottenham to the top trio in the Premier League in each of the last three seasons.

Neville added: "United have tried managers that have won European Cups, they've tried managers that have won multiple leagues, they've tried managers that have, to be fair, had that solid grounding in the Premier League."

"They need someone who

meets the three key principles of that football club — the promotion of youth, entertaining football and to win football matches.

Outstanding

"People suggest he hasn't won a trophy yet at Tottenham but with a net spend of minus £29million or something over the last four years, I'm not sure he could have done more."

"I do think he is the person who is the outstanding candidate."

Former Real Madrid gaffer Zinedine Zidane is another who has been strongly linked with Old Trafford. He has lifted the

past three Champions League trophies with Real Madrid but lost his job after falling behind Barcelona in the league.

Neville thinks ZZ would be another top choice.

He added: "I don't think anyone could argue with his pedigree."

"He's been world-class on the pitch and now been world-class in the dugout at Real Madrid."

"He wouldn't be my choice in the sense I would choose Mauricio Pochettino, but on the other hand, you couldn't argue with the introduction of Zinedine Zidane because of his record."

After the worst start to a

season in generation, fingers are being pointed in all directions at Old Trafford.

Neville believes the players have to take plenty of blame along with Mourinho.

He added: "My personal view is that the club needs to reset."

Right

"This is not just a moment to sack Jose Mourinho and appoint another manager."

"This is a moment for the club to take stock of what they're doing, to reset the structure in terms of recruitment, in terms of the decision making in the football club and make sure what they do next is the right move."

CHARLIE McCANN

WITH HIS SPORT ODDS AND ENDS

TALL ORDER:
Solskjaer

OLD BOYS BACKED FOR CARETAKER

JOSE Mourinho was sacked as manager of Manchester United yesterday after Sunday's abject display at Anfield, but who will be his successor at Old Trafford? In bookmaking parlours, the waters are muddied as the market will be settled once any manager, caretaker or otherwise, has been in the post for 10 games.

Given the fixtures come thick and fast at this time of the year BetVictor made Michael Carrick their early 5/4 favourite with Zinedine Zidane – who speaks little English – 3/1, Laurent Blanc 8s, Antonio Conte 10s and a host of possible candidates at 12/1 including Brendan Rodgers and Mauricio Pochettino 12/1.

These markets are notoriously volatile, however, and Laurent Blanc was, at the time of writing, 1/2 favourite (from 8s) as rumours circulated late morning that the former United player and ex PSG and France manager would be given the role until the end of the season. Carrick is out to 6/1 after the gamble on Blanc with Ole Gunnar Solskjaer also backed at 11/8.

United cannot afford to get the next full-time appointment wrong given they are light-years away from neighbours Manchester City and bitter rivals Liverpool at present. United have slipped dramatically in the post Sir Alex Ferguson years under David Moyes, Louis van Gaal and Mourinho and they are no longer one of Europe's elite teams – at least on the field.

Success

The draw was made for the last 16 of the Champions League on Monday and United are 10/3 to qualify for the quarter-finals having been paired with PSG. Will Laurent Blanc be in the dugout in Paris against his former Club? When Chelsea won the Champions League in 2012 they did so with a caretaker manager – Roberto Di Matteo. United couldn't, could they?

Arsenal haven't beaten their north London rivals Spurs twice in the same month for over 30 years (March 2007) but they have the opportunity to follow up their recent Premier League success at the Emirates this evening in the quarter-final of the League Cup.

Both Unai Emery and Mauricio Pochettino look sure to make several changes to the sides who contested Arsenal's thrilling 4-2 derby success earlier in the month although Spurs' have major defensive injury concerns ahead of the tie with Eric Dier the latest casualty out till the New Year following surgery to remove his appendix.

Arsenal are 31/20 at BetVictor to reach the last four in 90 minutes with Spurs 17/10 and the draw 13/5. The Gunners were 9/2 to win the Trophy and Spurs 11/2 ahead of last night's first couple of quarter-finals.

Arsenal lost their proud and long unbeaten record at St Mary's on Sunday when they once again started slowly. It seems almost inconceivable that the Gunners have still not led a Premier League game at half-time.

I am sure Spurs are a better side than Arsenal but home court advantage and the injuries to Pochettino's side leans me towards Unai Emery's side and Arsenal to win and both teams to score is the tip at 3/1.

MANCHESTER United will take their time after sacking Jose Mourinho as boss.

The Red Devils are all set to appoint a caretaker until the end of this season while they search for their fourth gaffer in five years. Ex-United

By JOHN ANTHONY

aces Laurent Blanc and Ole Gunnar Solskjaer are in the frame.

Chief Ed Woodward lost faith in Mourinho and fired him, despite that costing the club £24million.

He had to go after top

players threatened to leave and United made their worst start to a season in 28 years.

They are 19 points behind leaders Liverpool despite Mourinho having spent £400m on players since taking over from Louis Van Gaal in 2016.
